**CUSTOMER RESPONSIBILITIES**

\*The meter and related components, including and not limited to check valve, cut off, serving the Customer shall remain the property of The Utilities Board of the Town of Cedar Bluff afterward known as (The Board) and shall not be used by the customer. Tampering with said meter/attachments may result in service being discontinued without notice. If a request is made to have the service left off at the meter, the CUSTOMER is still responsible to have their cutoff valve in the off position.

\*Services provided by The Board shall be supplied only to the applicant at the meter number in this contract. Customer shall not connect any other dwelling or property to service.

\* The Board shall have the right to restrict, control, or discontinue service at any time during emergencies or repairs. The Board shall not be held liable for failure to furnish service for any reason beyond its control or for any loss, injury, or damage to persons, plumbing, or property resulting from such service discontinuance. This includes sewer service.

\*To protect the overall system from being contaminated CUSTOMER agrees not to allow any cross-connections between The Board and a private well or any connection, including water hoses. This also applies to the sewer service provided. If cross-connection takes place, service may be discontinued without notice.

\*Failure to receive your bill will not relieve any payment obligation. Any unpaid balance will be subject to disconnection at any time; if not paid within 10 days of due date. Due date is ALWAYS the 10th of the month.

\*Board reserves the right to discontinue water service at any time for failure to follow rules and regulations.
